

UNIVERSITY OF LAGOS BUSINESS SCHOOL (ULBS)

... raising global business leaders.

EXECUTIVE MASTER OF PUBLIC ADMINISTRATION (EMPA) ADMISSION 2021/2022

The University of Lagos Business School (ULBS) was set up to advance the culture of excellence in executive and business education by the University of Lagos. The University is one of the first universities to offer Public Administration training in Nigeria and is in the fore front of providing high quality education to train qualified manpower in public administration for the advancement of the Nigerian economy. The Executive Master of Public Administration is designed to advance knowledge and skills in a wide range of public administration practices and to prepare students for analytical, technical, and consulting skills in government establishments, political and public offices.

Our EMPA programme offers a range of exciting courses that are designed to meet the practical needs of public administration for nation building. It will expose students to the prerequisite knowledge and skills for leadership in public administration, management planning and to sharpen the analytical skills and critical thinking, to enable them objectively assess environmental factors as well as public administration and government interventions in their immediate locality, the nation and the world.

The Executive Master of Public Administration programme would provide the platform to acquire in-depth knowledge and skills needed to manage public, corporate organizations and government institutions. The programme would provide opportunities for capacity building in nation's public services.

The ULBS hereby invites qualified candidates to apply for the EMPA programme.
