## EXECUTIVE DIPLOMA IN BUSINESS ETHICS AND LEADERSHIP (DIP.BEL) ADMISSION 2021/2022

The University of Lagos Business School (ULBS) was set up to advance the culture of excellence in executive and business education by the University of Lagos. The University is one of the first universities to offer Business Ethics and Leadership training in Nigeria and is in the fore front of providing high quality education to train qualified manpower in business ethics and leadership for the advancement of the Nigerian economy. The Executive Diploma in Business Ethics and Leadership is designed to advance knowledge and skills in a wide range of business ethics and leadership practices and to prepare students for analytical, technical, and consulting skills in government and private establishments, political and public offices.

**Executive Diploma in Business Ethics and Leadership** is designed to prepare the individual against business eventualities. What could be done in an acute business cross-road when all known business methods, principles and ideas seem to collapse? DIP-BEL trains the individual to develop the mastery, character, powers of vision, innovation, imagination and projection to sense danger ahead, as well as build and sharpen the ability to resolve difficult situations on the spur of the moment. The focus is to train and challenge the individual to cultivate mental alertness, the capability and the moral excellence to be committed and consistent in order to competitively cope in the world of knowledge economy. Beyond diligence, optimal business growth and progress for nation building derives from the wisdom to turn adversities into advantages.

The DIP-BEL programme would provide the platform to acquire in-depth knowledge and skills needed for farsighted, motivational, innovative, committed and capacity building leadership in the dynamic management of business at the private and public levels.

**The ULBS hereby invites qualified candidates to apply for the DIP-BEL programme.**
