

UNIVERSITY OF LAGOS BUSINESS SCHOOL (ULBS)

... raising business leaders for global impacts.

EXECUTIVE MASTER OF BUSINESS ADMINISTRATION (EMBA) ADMISSION FOR 2022/2023 SESSION

The University of Lagos Business School (ULBS) was set up to advance the culture of excellence in business education by the University of Lagos. The university's strategic location and capabilities provide a unique environment that is conducive for executive education and learning.

The EMBA programme is designed to equip individuals with the knowledge and skills required not only to be effective managers but also to become transformational business leaders in our dynamic and competitive business world. The programme offers a range of exciting courses that are designed to meet the practical needs of today's global business and are continually evolving to remain relevant. Our inductive learning approach involves interactive teaching and case studies that expose our participants to the day-to-day real-life challenges in the workplace.

The specific objectives of the EMBA Programme include;

1. Providing an environment that inspires innovative problem solving among participants with the support of experienced academics and industry practitioners
2. Enabling managers to develop the capacity to think with clarity and develop feasible solutions that promote the well-being of their organization, community and the wider society
3. Exposing participants to the knowledge, skills and attributes required for effective management and leadership beyond the workplace.

The ULBS hereby invites qualified candidates to apply for the EMBA programme.
