## DOCTOR OF BUSINESS ADMINISTRATION (DBA) ADMISSION FOR 2024/2025 ACADEMIC SESSION

The ULBS Doctor of Business Administration (DBA) programme is designed to link research-based knowledge to professional capacity development in order to enhance professional practice, national economic growth and the wellbeing of society.

### OBJECTIVES

The specific objectives of the programme include:

- i. Providing an environment that promotes collaborative learning of professionals with the support of experienced academics and professional scholars;
- ii. Equipping participants with the capacity for developing and applying theories in professional practice; iii. Providing an environment that inspires applied research capable of delivering innovative solution to complex, real-world business and management problems; and
- iv. Exposing participants to the knowledge, skills and attributes required for effective management and leadership beyond the workplace in their lifetime.

### AREAS OF SPECIALIZATION

1. DBA in Management and Leadership
2. DBA in Finance
3. DBA in Entrepreneurship

The ULBS hereby invites qualified candidates to apply for the DBA programme.

### ADMISSION REQUIREMENTS

Candidates for admission into the DBA programme must possess the following qualifications:

- I. Master of Business Administration (MBA) or Master's degree in Business, Management, Accounting, HRM, Marketing, Finance, Actuarial Science, and Risk Management from a recognized University, with a minimum CGPA of 3.50 on a 5-point scale;
- II. Ten years industry work experience and must be presently in a senior management or administrative position;
- III. In addition to i and ii above, applicants must submit and successfully defend a research proposal in the area of interest. The proposal should include: Statement of the Problem, Objectives, Literature Review and Methodology.

### PROGRAMME DURATION

The DBA Programme will run for a minimum of three years (six semesters), and a maximum of five years (10 semesters).
